Liability: Hazardous Substance Response

Minn. Stat. 115E.06

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An individual, who provides assistance in response to a discharge of a hazardous substance, will not be held legally responsible for acting or failing to act. They can be held legally responsible if acting with extreme carelessness or intent to cause harm.

Good Samaritan Law

Minn. Stat. 604A.01

Volunteer / Other, EMT, Firefighter, Law Enforcement

An individual who recognizes that another person's life is in grave danger must provide reasonable assistance or care to that person as long as such assistance does not create further risk of harm. They will not be held legally responsible for providing reasonable assistance or care, without compensation, at the scene of an emergency or en route from the scene to a medical facility. They can be held legally responsible if acting with extreme carelessness or intent to cause harm and can be found guilty of a petty misdemeanor for refusing to provide reasonable assistance or care.

Generally, Good Samaritan laws only offer protection for those individuals who provide care during spontaneous emergencies unrelated to volunteer deployment.

Powers, Duties, Rights, Privileges, and Immunities: Emergency Response Personnel Providing Aid in Another Jurisdiction

Minn. Stat. 12.35(2)

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional
