### Liability: Hazardous Substances Removal

12 L.P.R.A. 1291

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An individual who, at the direction of a public official, assists in removal, cleaning, or disposal of hazardous substances will not be held legally responsible for property damage that results from acting or failing to act. They can be held legally responsible if they act with carelessness or if they cause personal injury or death. They can also be held legally responsible if they caused the hazardous materials accident.

---

### Liability: Use of Property

7005 PR Regla 5564(XIX)(A)

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An individual who owns property and who, through written agreement, allows Civil Defense members to use the property during an emergency or training will not be held legally responsible for any harm suffered on the property due to the individual's carelessness. They will also not be held legally responsible for any harm suffered by a Civil Defense employee or official while they are performing official duties on the property.

---

### Liability: Civil Defense Volunteer

7005 PR Regla 5564(XIX)(B)

Other medical professional, Volunteer / Other, Nurse, Physician, EMT, Government Public Health, Firefighter, Law Enforcement, Veterinarian, Dentist, Pharmacist, Social Worker, Mental and Behavioral Health Professional

An individual, who is providing official services as a Civil Defense Volunteer, will not be held legally responsible. They can be held legally responsible for acting with extreme carelessness or intent to cause harm.

---

**Liability: Architect, Engineer, Land Surveyor, or Construction Personnel**

17 L.P.R.A. 1532

Volunteer / Other

When an emergency declaration is in effect, an architect, engineer, land surveyor, or supervised construction personnel who, without compensation and upon official government or police request, provides architectural, structural, electrical, land surveying, engineering or mechanical services will not be held legally responsible for acting or failing to act while providing the services.

**License Reciprocity: Emergency Medical Technician or Paramedic**

20 L.P.R.A. 3468

EMT

An emergency medical technician or paramedic, with a license issued by an accredited educational institution outside of Puerto Rico and who has taken a revalidation exam, can apply for a provisional license for up to one year.

**License Reciprocity: Physician**

20 L.P.R.A. 133g(c)(3)

Physician

When an emergency declaration is in effect, an individual who is an out-of-state licensed physician can obtain a provisional license from the Medical Discipline and Licensure Board to provide services, as long as they have obtained prior authorization from the Department of Justice.

**Workers? Compensation: Volunteer Firefighter**

25 L.P.R.A. 331z

Firefighter

A volunteer firefighter who is injured or killed in the performance of their duties will be entitled to the same workers? compensation benefits as Puerto Rican government officials.

**Workers? Compensation: Youth Volunteer**

7005 PR Regla 5564(VII)(G)

Minor/Student

An individual who volunteers with the Civil Defense Volunteer Body and who is less than 18 years old will be entitled to workers? compensation.
